The Business

Steve and Kathy Hunter founded [Klikk](#), a digital agency located in Melbourne, Australia in 2005. Their conversion-focused approach helps their clients not only achieve beautiful, well-designed web experiences, but build their email list and convert more online sales as well. Steve and Kathy use [Heyo](#) to more easily create and deploy high-converting social campaigns for their clients.

The Campaign

In 2015, Steve and Kathy began working with Scoot Boot, a company making innovative hoof boots for horses. They had a goal of building their email list and Kathy felt that running a social giveaway would help them to achieve their goals. With a single Heyo giveaway, Scoot Boot captured 3,868 new leads via 8,596 impressions. Best yet, over the next few months these new leads purchased over \$150K in new products from Scoot Boot.

“We’ve been using Heyo for all of our social competitions for the past two years. It is by far the easiest platform to implement (we tried them all!) & combined with stellar customer service, Heyo is incredibly hard to beat!” – Kathy Hunter, Co-owner at Klikk
